2.02 Lack of Social Insurance Number

Notwithstanding the definition of "Beneficiary" and anything else to the contrary herein, where a Contribution has been made by the Subscriber on behalf of a Beneficiary whose Social Insurance Number has not been provided to the Manager (other than in circumstances described in section 2.01(b)(ii)):

- (a) the Subscriber agrees to provide a valid Social Insurance Number of the Beneficiary no later than the date which is eighteen (18) months following the date on which the Agreement is entered into; and

 - (i) the Foundation shall deduct, or cause to be deducted, Fees from the Holding Account, provided that any amount so deducted in respect of the Enrolment Fee shall be re-deposited to the Holding Account upon the Subscriber providing the Beneficiary's Social Insurance Number within the time period specified in section 2.02(a);
 - (ii) should the Subscriber fail to provide the Beneficiary's valid Social Insurance Number (such possibility hereafter being referred to as the "**Condition Subsequent**"), the transfer of the Contribution to the Holding Account will retroactively be deemed null and void and any amount held in the Holding Account, including any income earned thereon, less the Fees, shall be returned to the Subscriber.

- (a) Upon the Subscriber providing the Beneficiary's Social Insurance Number within the time period specified in section 2.02(a):

 - (ii) the ownership of such Contribution shall be transferred back to the Subscriber and held by the Foundation as agent of the Subscriber;
 - (iii) the Subscriber shall be deemed to have directed the Foundation to transfer or to cause to be transferred such Contribution to the Trustee, and the Foundation shall transfer or cause to be transferred such Contribution to the Trustee as a Contribution made by the Foundation on behalf of the Subscriber; and
 - (iv) the Enrolment Fee will then be deducted from such Contribution.
- (b) All Contributions from the Holding Account will be subject to the RESP Limit; and, for the purpose of applying the provisions of the Agreement, the date of application for the Agreement will be the date the Agreement is entered into or the date the Beneficiary's Social Insurance Number was provided to the Manager, whichever is later.

2.04 Plan Registration

- (a) Upon receipt of the Beneficiary's Social Insurance Number within the time period specified in section 2.02(a), if the Plan has not otherwise been registered as an RESP, the Agent will apply for registration of the Plan as an RESP.
- (b) In the event that the Condition Subsequent occurs, the Plan is determined by the Canada Revenue Agency not to be registerable as an RESP, or the Subscriber requests a total Contribution Refund if such request is made within sixty (60) days after the signing of the Application, the Agreement shall be terminated.

The percentage used for the calculation of the Accumulating Loyalty Bonus will be no less than two thirds of one per cent (0.66%) per year.
- (b) The Accumulating Loyalty Bonus payment is considered a partial return of the Enrolment Fee and therefore is credited back to the Savings Account.
