a. Application Information and Insurance Coverage

Insurance coverage is based on the deposit information and frequency of deposits on the Agreement named in Section 1. The Insurance Coverage premium for this group coverage is \$0.17 per \$10.00 of RESP deposits.

Benefit payable for an approved claim – Life Insurance: If you die before age 65, the benefit is the aggregate of all deposits which become due under your deposit schedule after your date of death. Disability Insurance: If you experience disability before age 65, after a 12-month waiting period the benefit is the aggregate of all deposits which become due under your deposit schedule while you remain disabled. Disability payments will stop when you turn 65 years old. For joint coverage, the insurance benefits will be payable on the first death or disability of either of you.

b. Beneficiary

In the event of your death or disability, the benefit will be paid to this plan with Knowledge First Financial. This will help ensure the continuation of contributions to fund this Education Savings Plan. If you wish to designate an alternate beneficiary, please contact Sun Life Assurance Company of Canada at 1-877-271-8713.

c. You should know that no benefit is payable if death is due to a pre-existing condition and occurs within 24 months of the date you become insured. A pre-existing condition means a condition for which you received attention, consultation, diagnosis or treatment (including taking pills, injections or other medications) from a physician or practitioner in the 12 months before you became insured. You will be given a certificate that outlines the terms of insurance coverage including eligibility, exclusions and conditions for benefit payments. Please read this certificate carefully.
